Hi Oliver. I sent this email to you right after the Candidate Forum, addressing it to the campaign email address you listed on Voter's Edge. I haven't heard back, and so I'm now forwarding it to your personal email. Please let me know if you'd be open to getting together for coffee or lunch. I hope all is going well. Diana 707 479-1717

Hi Oliver.

I'm reaching out for a couple of reasons. But before I get to them, I wanted to thank you for making the decision to run for City Council. It takes commitment and drive to put your hat in the ring and to campaign, and if you win to then put in the necessary hard work to serve the four year term. Speaking as one person living here in Sebastopol, I'm truly impressed by the willingness of all five candidates to step up to serve the town. We are really fortunate to have so many community-minded people here in Sebastopol.

Now to get to my reasons for reaching out.

First, can you please take a look at the Candidate information I've included about you on my website? My goal is to provide accurate and complete information on all five of you who are running. I'd appreciate you're taking a look and letting me know if there's anything you'd like me to change or add. The posting is [HERE](#).

Second, I'd like to get together so we can talk one-on-one (in person

preferably). I want to get a better sense of your goals and (of course) to share with you any information you feel might be helpful. My availability for the rest of this week is limited, although Thursday (tomorrow) afternoon is somewhat flexible. I also have some availability next week on Tuesday, Wednesday, and Thursday afternoons. Or we could look at a date after next week. Maybe you could give me a few time-slots that work for you and we could go from there? Coffee or lunch maybe?

Third, I'm including below the email I just sent to my Email Outreach List. My main goal was to remind people about the Candidate Forum tonight. I'm looking forward to it, and I'm hoping there's a really good turnout.

Thanks again for stepping up to offer to serve this really wonderful little town.

I look forward to hearing from you.
