

CANDIDATE'S STATEMENT OF QUALIFICATIONS

Dennis E Colthurst Age: 71

I am seeking your vote for a position on the Sebastopol City Council.

Having served as a Police Officer and Investigator with the Sebastopol Police Department for 34 years, I have a strong interest in public safety and disaster preparedness.

During my time with the police department, I was active in many community projects.

I want to support affordable housing for our City.

We have a wonderful community that deserves the decisions of its Council without bias or prejudice.

I will come to this office with an open mind and as an active listener, striving to solve problems that arise during my tenure.

I appreciate your consideration and would like your vote to serve. Thank you.
