

Sebastopol has incredible resources – a walkable downtown, public parks, our senior center, art and cultural centers, an innovative business community, vibrant residents, strong volunteerism and unparalleled access to natural spaces. As your Council member, I will work to make sure our City Budget supports these incredible resources along with local businesses, public works services, our hardworking Firefighters and Peace Officers.

On City Council, I'll support the Sebastopol Fire Department and all first responders to ensure they have the tools they need to do their jobs, while also helping them craft much-needed evacuation plans for future emergencies.

As a City Council member, I'll apply my career in business management to ensure Sebastopol's future remains safe, vibrant, and healthy by striving to improve our budgetary outlook, protect our environment, our land, and our people.

I'm a husband, father, an IT/business consulting professional, and have experience working with entities large and small, from serving at-risk youth as a Court Appointed Special Advocate (C.A.S.A.) to leading senior management teams with global technology companies. I'll apply this knowledge to lead those who call Sebastopol home on a positive path forward – together.

I'd be honored to earn your vote. Thank you.
